Notice Regarding the Recognition of Extraordinary Gains and Losses

Okamoto Industries, Inc. (hereafter: the Company) hereby announces that we have recorded extraordinary gains and losses in the fiscal year ending March 31, 2025 (April 1, 2024 – March 31, 2025), as outlined below.

1. Recognition of Extraordinary Gains

We recorded gains on sales of investment securities in the amount of 1,221 million yen as extraordinary gains through the sale of shares held by the Company.

2. Recognition of Extraordinary Losses

Impairment Loss on Fixed Assets

For certain tangible and intangible fixed assets used in business operations owned by our group—specifically in the areas of heat packs, plastic films, agricultural films, multiple layered films, industrial tapes, wallcovering, food wrapping, gloves, and coated abrasives—profitability has declined. Accordingly, based on the "Accounting Standard for Impairment of Fixed Assets," we have recorded an impairment loss of 1,065 million yen as an extraordinary loss.

3. Impact on Financial Results

The impact of the aforementioned extraordinary gains and losses are reflected in the full-year consolidated financial results for the fiscal year ending March 31, 2025, which were announced today (May 13, 2025) in the "Financial Results for the Fiscal Year Ending March 31, 2025 [Japanese GAAP] (Consolidated)."
